## OUR EARTH

We live on this beautiful earth. Before us our great grand fathers lived here. After us, other people will live on it. So it is our duty to take good care of our planet earth. We can do this in two ways: First, we should know about our surroundings and take good care of animals, plants and places that are around us. Secondly, we should be friendly and helpful to all the people, so that we can live happily.

Here are a few things that you can do to make earth a good place to live on:

- 1- Keep the area around your house and school clean.
- 2- Throw all litter, especially plastic bags and bottles, in dustbins.
- 3- Don't hurt birds and animals, on the beach, in the forest or in any other place.
- 4- Don't pluck leaves and flowers.
- 5- Keep a bowl of water and some grain for the birds around you.
- 6- Smile and greet everyone you meet.
- 7- Help old people in every way you can, (for example) help them cross the road.
- 8- Take care of disabled people.
- 9- Take interest in all things around you.
- 10- Draw a map of your area showing important public places such as hospitals, public call office, parks, metalled and unmetalled roads and tell everyone to keep them clean.

Let us all try our best to save the world for tomorrow in a good condition.
